

Undergraduate Majors: All Students

Double majors are double counted. Full- and part-time students.
These data are for reference only.

Comparisons between majors or within majors over time should use data limited to upper-division students
because departmental policies for admission to the major vary.

College of Arts and Sciences		Fall semester						Five year change
		2004	2005	2006	2007	2008	2009	
Biological Sciences	Biochemistry	378	421	445	525	531	517	139
