

Congratulations on being accepted to the Nursing Accelerated One Year program!

We are sending you information that you may find useful as you make financial plans to meet the cost of the Nursing program. The academic year includes Summer 2016, Fall 2016, and Spring 2017.

If you are interested in receiving financial aid, you will need to complete a 2016/2017 FAFSA at www.fafsa.ed.gov.

Since you already have a Bachelor's degree you will no longer be eligible to receive federal grants (PELL, SEOG, EOP). Your eligibility for aid will be as follows:

- Direct Stafford loan - \$7500 (dependent students) or \$12500 (independent students)
- Parent PLUS loan if you are dependent – requires a credit check
- Private loans – requires a credit check. Use of a co-signer may lower interest

PLUS and Private loans require a separate application. Please visit our [website](#) for information.

In the summer, you are required to take 24 credits. Summer tuition and fees are charged per credit. For an estimated cost for summer, you can visit [Summer Aid](#). For Fall and Spring, tuition and fees, are billed at a flat full-time rate. You can find detailed information at www.stonybrook.edu/bursar. Estimated monthly living expenses for Fall and Spring are \$2000. Living expenses include housing, meals, transportation, books, and personal expenses. Your actual costs may be less depending on your individual situation.

For additional information, please visit our [website](#). If you have additional questions, please call 631-444-2111 option 2 and we'll be happy to assist you.

Sincerely,

HEALTH SCIENCES OFFICE OF STUDENT SERVICES
