

Health Sciences - Undergraduate Courses – Fall 2017

The Health Sciences courses listed below are available on a limited basis to west campus students. Permission of the instructor must be obtained prior to registration, unless noted. West campus students register for Health Sciences courses at the west campus, Office of Records, not at the east campus, Office of Student Services. When west campus students register for a Health Sciences course scheduled in a Fall module/session code, this course counts towards the students' Fall course load only, even if the module/session code extends into the Winter/Spring term.

Please note: the G/P/NC option is not permitted for East campus courses.
