

### Health Sciences - Graduate Courses - Fall 2016

The Health Sciences courses listed below are available on a limited basis to west campus students. Permission of the instructor must be obtained prior to registration. West campus students register for Health Sciences courses at the west campus, Office of Records, not at the east campus, Office of Student Services. Courses with designators of HDO are available only to students enrolled in a M.S. or Ph.D. program.
