

## **Health Sciences - Graduate Courses - Spring 2018**

The Health Sciences courses listed below are available on a limited basis to west campus students. Permission of the instructor must be obtained prior to registration. West campus students register for Health Sciences courses at the west campus, Office of Records, not at the east campus, Office of Student Services. When west campus students register for a Health Sciences course scheduled in a spring module / session code, this course counts towards the students' spring course load only, even if the module / session code extends into the summer term.
