

Using 25Live

Search for a Space

Find Available Location:

Step 1. From the main 25Live home page, locate the “Find Available Location” dashboard element box.

Step 2. Click the appropriate link to search for rooms available by time or by location.

- **I know WHEN:** Allows you to select a space available based on date/time.

The screenshot shows the "Find Available Locations" form. It has a title bar with a pencil icon and the text "Find Available Locations". The main content area contains the following fields and options:

- Enter the desired date and time for your event:
- Date:**
- Start Time:** **End Time:**
- Number of Attendees:** (required)
- Search within:**
- Show me what's available!**

- **I know WHERE:** Allows you to select a space based on building/room location.

🔍 **Find Available Locations** 🔗

Find Location by Name: Go

Don't know the exact Location? Search by Location Groups...

Quick Search:

Step 1. From the 25Live home page, enter the item's name in the events or locations search box. Press the **Go** button to view search results.

The screenshot shows the 25Live dashboard with a navigation bar at the top containing links for Home, Event Wizard, Events, Locations, Resources, Organizations, Tasks, Reports, and Publisher. A banner below the navigation bar reads "25Live Release 24, WebServices 3.0, and R25I Patches Completed". On the right side, there are links for Dashboard and Calendar, and a Customize Dashboard button.

The main content area is divided into several sections:

- Quick Search:** This section is circled in red and contains three search boxes: "Search Events" with a green arrow icon, "Search Locations" with a blue cube icon, and "Search Resources" with a red pyramid icon. Each box has a "Go" button to its right.
- Find Available Locations:** This section contains two radio buttons: "I know WHEN my event should take place -- help me find a location!" (selected) and "I know WHERE my event should take place -- help me choose a time!". Below these is a "Create an Event" button.
- Your Events:** This section shows "14 Events in which you are the Scheduler" and "14 Events in which you are the Requestor".
- Your Event Drafts:** This section shows "1 Event Draft in which you are the Scheduler" and "1 Event Draft in which you are the Requestor".
- Tasks:** This section shows "You have No Tasks on Today's Agenda" and "0 Outstanding Tasks", "0 Flagged Tasks", and "0 Tasks Assigned By You".
- Your Starred Event Searches:** A list of searches including Ad Hoc, Additional Rooms, Athletics, Spring 2015, Spring 2015 View Access, and UndergradColl.
- Your Starred Location Searches:** A list of searches including Classroom Search, Reg Rooms, Test ath, and UndergradColl.
- Recently Viewed:** Shows "(none)".
- Your Starred Events:** Shows "You do not have any Starred Events!".
- Your Starred Locations:** Shows "You do not have any Starred Locations!".
- Your Starred Resources:** Shows "You do not have any Starred Resources!".

📐 Go

Once you have submitted a search item you will be presented with the room or building availability grid listing the dates and times that a space is available. Remember to change the date to the day you are looking for.

The screenshot shows the 'Search For Locations' interface. At the top, there are navigation tabs: Home, Event Wizard, Events, Locations, Resources, Organizations, Tasks, and Reports. Below these is a search bar with 'Search by Keyword: frey' and a 'GO' button. The 'Availability' tab is selected, and the date 'Mon Oct 26 2015' is highlighted in a red circle. The main area is a grid showing room availability for rooms FREY 100, 102, 104, 105, and 112 across days 7 to 11. Each cell in the grid contains a room number and its name, such as 'SOC 105 02' for FREY 100 on day 10.

Use the up/down arrows to the right of the page to view the availability of each room in that building.

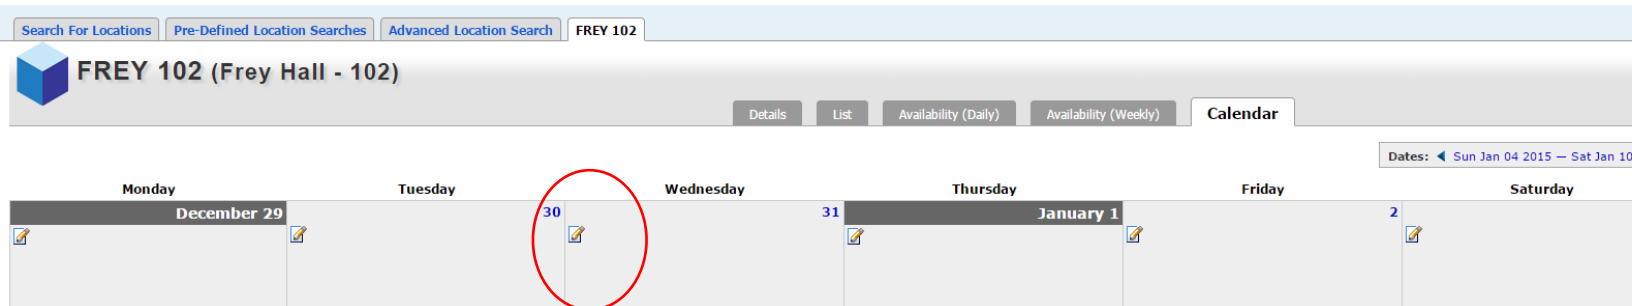

Click the star icon to the left of the room's name to mark this location as a favorite. Starred favorites will show up under the favorite's dashboard box on the home page. (**Note:** Too many starred items will slow down load time)

Click the room's name to view that room's availability grid/calendar/details.

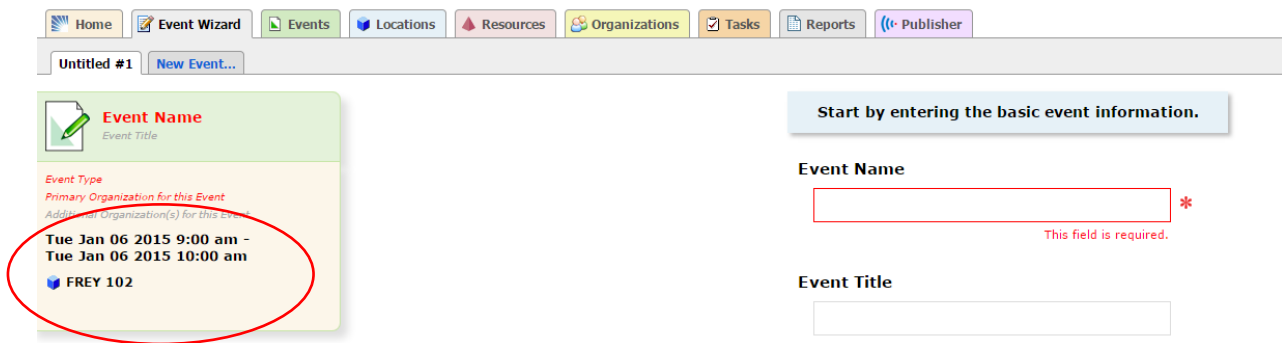

The screenshot shows the details page for 'FREY 102 (Frey Hall - 102)'. The page has tabs for 'Details', 'List', 'Availability (Daily)', 'Availability (Weekly)', and 'Calendar'. The 'Details' tab is active. The page is divided into several sections:

- Comments:** none
- Default Instructions:** none
- Features:** AV - Computer (Windows), AV - Data Projector, AV - Dual Data Projector, AV - Instructor Station, AV - Interactive Whiteboard, AV - ICB Capture, AV - Smartboard, Board - Wireless Accessible, Board - Whiteboard, Fixed, Multipleboards, TLT Supported, Tables - Electric at Student Table, Tables - Shared Tabletops
- Attributes:** X25 Assignable Area: 4735, X25 Building: Frey Hall, X25 Owner Organization: Registrar, X25 Room Use Code: 110
- Layouts:** Max Capacity: 250, Theater Style (default) [icon]
- Categories:** Building - Frey Hall, Campus - West, Control - Registrar, Schedule25
- Related Spaces:** none
- Location Scheduler:** none
- Images:** Viewing Layout Image: Theater Style. An image of the room is shown below.

To request the space for your event hover your mouse over an available date and time to reveal the  (create event) button. Click the button to trigger the event wizard.

The wizard already contains the date/time and location information for the event when triggered this way.

Another way to search for space is the Advanced Search:

Using the tabs on the top of the page allows you to conduct advanced searches of locations or events.

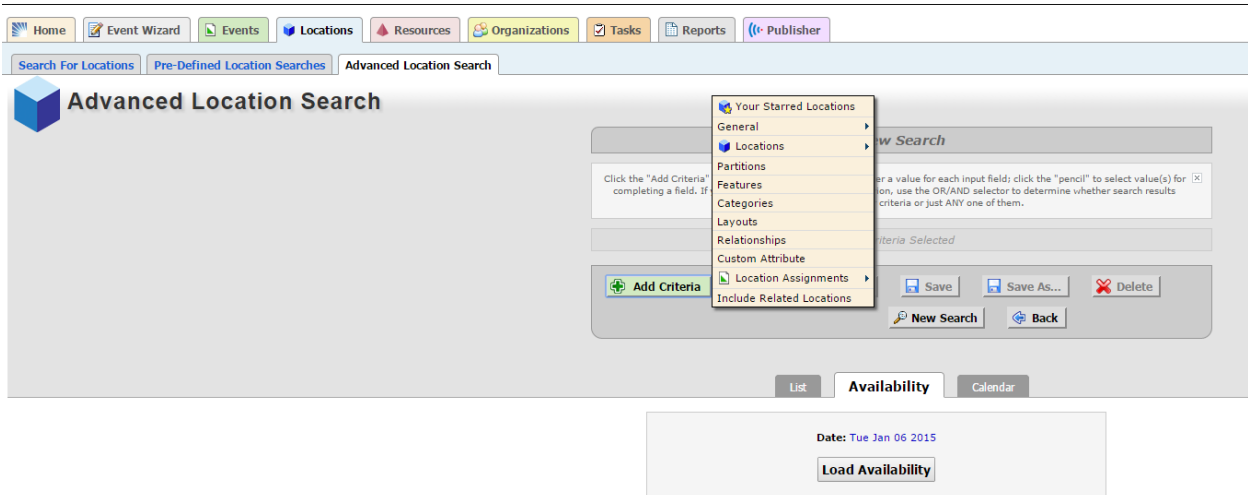

Step 1. From the 25Live home page, select an item tab located across the top of the page.

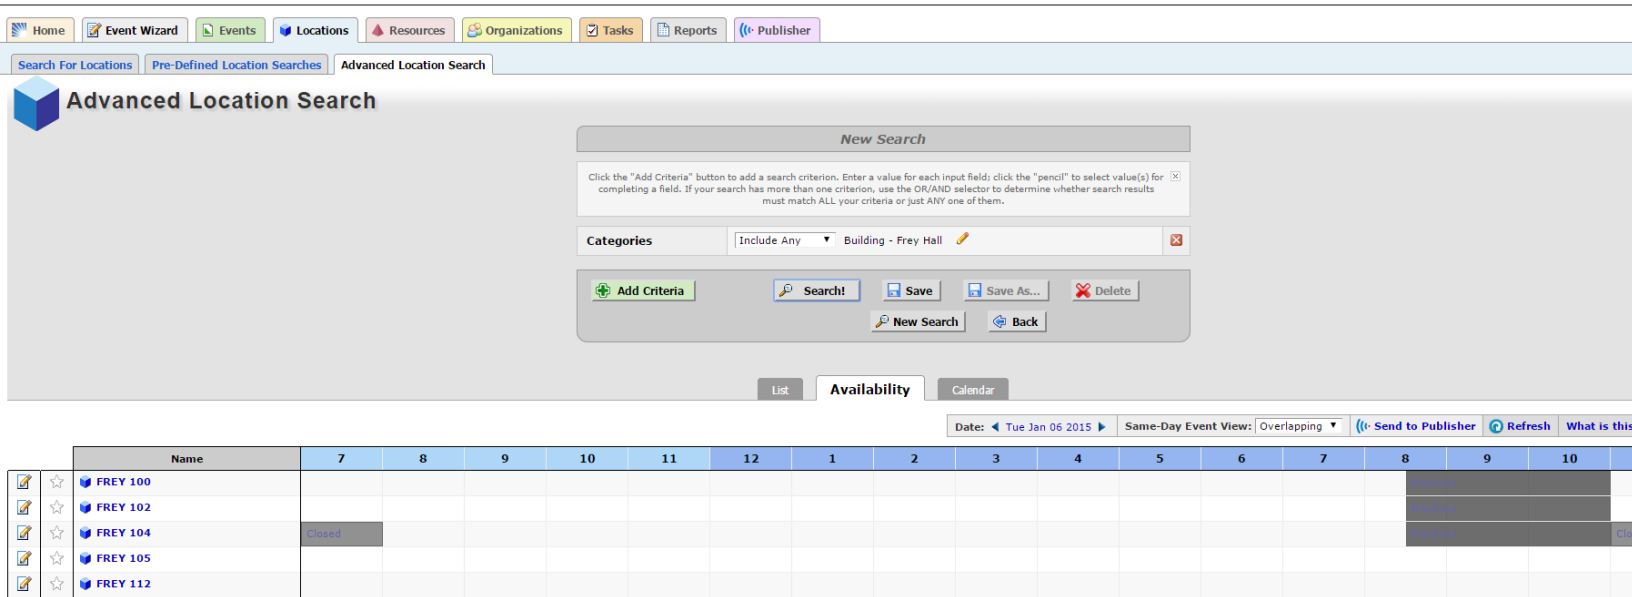

Step 2. Type a keyword to search or click the “Advanced Location Search” tab to enter multiple search options.

Step 3. Click the “Advanced Location Search” tab next to each category name to narrow down your search options. You can select as many categories as you would like. Click the SAVE Button to save your search for the future.

Step 4. Determine how you would like to see your results, list, availability or calendar. Adjust the date range and then select load availability to search. You can change criteria on the top and hit Search to modify the results.

Hover your mouse over an available date and time to reveal the  (create event) button. Click the button to trigger the event wizard.

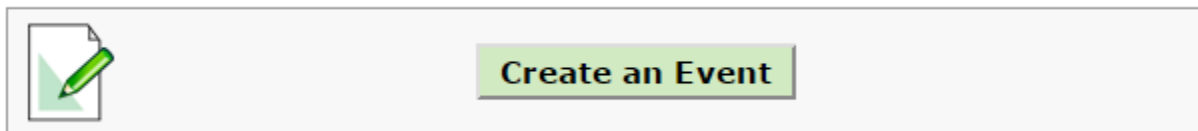

The wizard already contains the date/time and location information for the event when triggered this way.

Create an Event: Event Wizard

Step 1. If you do not wish to trigger the event wizard by searching for a location first, simply select the Event Wizard tab located across the top of the 25Live page.

You can also create an event by selecting the Create an Event button on your home page.

Step 2. Enter the fields as they appear. Anything in red with an asterisk is required. Moving to the next page will not be allowed until all required fields are entered. All valid fields will appear with a green check mark once completed.

Step 3. Enter the expected head count. This is important to ensure that the locations made available to you will hold the expected capacity.

Does this event have more than one occurrence?

No
This event has only one occurrence.
Any other related events are separate and distinct.

Yes
This event has more than one occurrence.
It has daily, weekly, monthly or ad hoc repeats, and they are all part of the same event.

◀ Back | Next ▶

Cancel | Save

Regardless of which is chosen the next screen requires the Event day and time. If the event repeats enter the day/time of the first instance.

This screenshot shows the 'Tell us WHEN this event takes place.' screen in the Event Wizard. The interface includes a navigation bar at the top with tabs for Home, Event Wizard, Events, Locations, Resources, Organizations, Tasks, Reports, and Publisher. A sidebar on the left displays event details for 'test', including the Registrar, 25 Attendees Expected, and event dates: Tue Jan 06 2015 3:00 pm - Tue Jan 06 2015 4:00 pm. The main content area features a calendar icon and a title 'Tell us WHEN this event takes place.' Below this, a sub-header reads 'Select the dates and times of the actual event. Setup, takedown, pre- or post-event times can be specified below.' The 'Event Start' is set to Tue Jan 06 2015 at 3:00 pm, and the 'Event End' is set to Tue Jan 06 2015 at 4:00 pm. Two questions are posed: 'Does this event require Setup or Pre-Event time?' and 'Does this event require Post-Event or Takedown time?', both with 'Yes' and 'No' radio button options. At the bottom, there are 'Back', 'Next', 'Cancel', and 'Save' buttons. A green box in the top right corner indicates an 'Event Duration: 1 Hour'.

If the event repeats you will then be asked to set up the repeating pattern.

This screenshot shows the 'Choose how this event REPEATS.' screen in the Event Wizard. The navigation bar and sidebar are identical to the previous screen. The main content area features a calendar icon and a title 'Choose how this event REPEATS.' Below this, there are five selectable options: 'Ad Hoc Repeats' (Individually select dates to add to the event.), 'Daily Repeats' (Examples: Repeats every day for 5 occurrences; Repeats every 3rd day through a specific date.), 'Weekly Repeats' (Examples: Repeats every week on Monday and Thursday for 12 occurrences; Repeats every other week through a specific date.), 'Monthly Repeats' (Examples: Repeats every month on the 1st and 15th through a specific date; Repeats every 3rd Monday of the month for 6 occurrences.), and 'Does Not Repeat' (This event has only one occurrence.). At the bottom, there are 'Back', 'Next', 'Cancel', and 'Save' buttons.

The next screen will set up the end day and display an occurrence list below of every event day. (You can later edit the status of a repeating instance from active to cancelled by contacting the Registrar Scheduling Staff)

Event Approval/Denied Status:

To check the status of your request you can view the Tasks section on your home page.

The dashboard includes a navigation bar with Home, Event Wizard, Events, Locations, Resources, Organizations, Tasks, and Reports. A secondary bar contains Dashboard and Calendar. The main area features several widgets: Quick Search (with search boxes for Events, Locations, and Resources), Your Starred Event Searches, Your Starred Location Searches (listing 'data projector' and 'Frey'), Your Starred Resource Searches, Your Starred Reports, Create an Event, Find Available Locations (with 'I know WHEN' and 'I know WHERE' prompts), Your Events (listing 1 Event in which you are the Scheduler and 1 Event in which you are the Requestor), Your Event Drafts (listing No Event Drafts in which you are the Scheduler and No Event Drafts in which you are the Requestor), and Tasks (listing You have No Tasks on Today's Agenda, 0 Outstanding Tasks, 0 Flagged Tasks, and 1 Task Assigned By You). The Tasks widget is circled in red.

Viewing the Assigned By You tasks will open up your requests and you can view the status.

The 'Overview of Tasks' page has tabs for Overview of Tasks, Tasks Agenda, and Advanced Task Search. A dropdown menu titled 'Choose Which Tasks To View' is open, showing options: Overdue, Outstanding, Flagged, Completed, Assigned By You: All, Assigned By You: Completed, and Assigned By You: Denied. Below the menu is a table with columns: Event, Title, Task Item, Status, Actions, Respond By, First Date, Reference, and Assigned By. The 'Status' column for the first row is circled in red.

Event	Title	Task Item	Status	Actions	Respond By	First Date	Reference	Assigned By

How to run the Space Availability by Meeting Pattern Report:

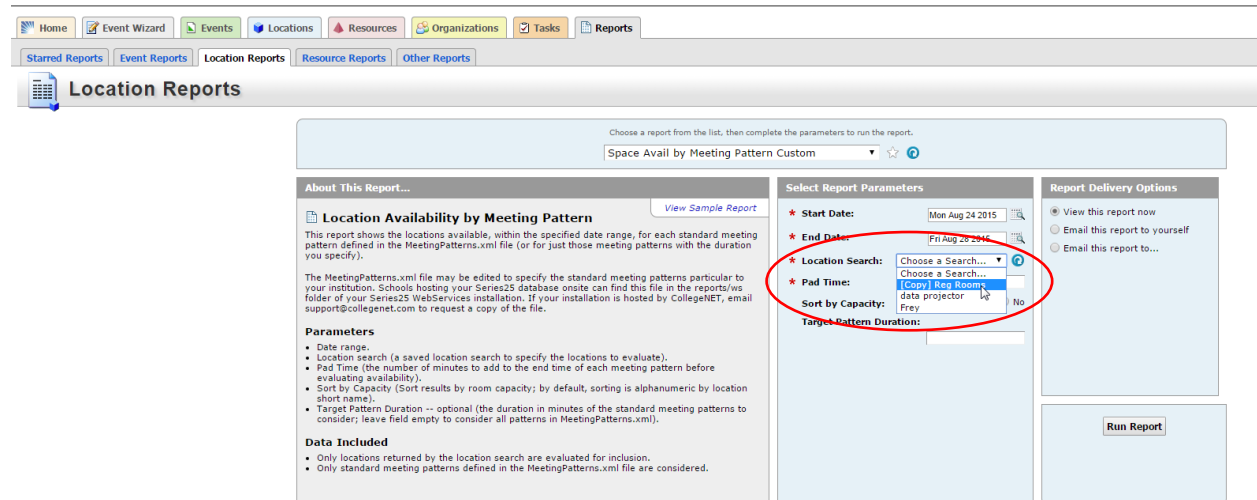

To run the space availability by meeting pattern report click on the reports tab and then click on location reports. From the drop down menu select Space Avail by Meeting Pattern Custom

Once you select the report you are now able to enter report parameters. The start date and end date should capture one week of the semester. **If you enter dates for the full semester the report will take longer to run.**

The location search drop down will list all of the location searches you have saved.

Pad time should have a value of 0 entered. For easy searching on the report you can select yes under Sort by Capacity.

Choose a report from the list, then complete the parameters to run the report.
Space Avail by Meeting Pattern Custom

About This Report...
Location Availability by Meeting Pattern
This report shows the locations available, within the specified date range, for each standard meeting pattern defined in the MeetingPatterns.xml file (or for just those meeting patterns with the duration you specify).
The MeetingPatterns.xml file may be edited to specify the standard meeting patterns particular to your institution. Schools hosting your Series25 database onsite can find this file in the reports/ws folder of your Series25 WebServices installation. If your installation is hosted by CollegeNET, email support@collegenet.com to request a copy of the file.

Parameters

- Date range.
- Location search (a saved location search to specify the locations to evaluate).
- Pad Time (the number of minutes to add to the end time of each meeting pattern before evaluating availability).
- Sort by Capacity (Sort results by room capacity; by default, sorting is alphanumeric by location short name).
- Target Pattern Duration -- optional (the duration in minutes of the standard meeting patterns to consider; leave field empty to consider all patterns in MeetingPatterns.xml).

Data Included

- Only locations returned by the location search are evaluated for inclusion.
- Only standard meeting patterns defined in the MeetingPatterns.xml file are considered.

Select Report Parameters

- * Start Date: Mon Aug 24 2015
- * End Date: Fri Aug 28 2015
- * Location Search: [Copy] Reg Rooms
- * Pad Time: 0
- Sort by Capacity: Yes No
- Target Pattern Duration:

Report Delivery Options

- View this report now
- Email this report to yourself
- Email this report to...

Run Report

On the right hand side you have the option to view the report now or email it to yourself or other email addresses. Once you have all the fields populated hit run report.

Choose a report from the list, then complete the parameters to run the report.
