Log In Instructions and Slate Home Page

Counselors log in to [Slate.org](https://slate.org) at <https://slate.org/connect/login>, which is the login page for counselors and schools. You must first have an established account, which can be created by visiting [Slate.org](https://slate.org) and selecting the "High School Counselors" button to register. Your account requires verification, either by an active counselor at your institution or by Slate/Technolutions staff.

Via the Slate.org Home Page, counselors can view recent updates to applications, newly released decisions, and recently viewed students and colleges.

Stony Brook University View

As you are diving in to stay on top of your students' college applications to assist them with the start of their higher education journey, you can view some quick helpful information regarding Stony Brook University's application and financial aid deadlines, as well decision release and student event/tour dates.

In the Stony Brook University view, you can obtain deadline information on the left side view, and on the right side view, there is an interactive calendar that displays "available dates" for student events/tours with a green background. ***Please note that these are events for students and that students should register for the events that they are interested in on their own.**

Applications and Colleges

Available application information is viewable via the Applications tab. Each row corresponds to each application that your student submits to different institutions. Additionally, decisions can be downloaded by clicking the Excel icon, as long as the user has been provided with "Download Student Data" permission.

1. Select Applications from the Top Navigation Bar
2. Select the list to export, whether from All Students, a personal list, or a shared list
3. Click Download to Excel. A new tab opens and a system dialog prompts you to save the file.

DARE TO BE

Upload Applicant/ Student Materials

*Stony Brook University allows counselors to upload various material types, specifically:

- High School Transcripts
- Letters of Recommendation
- Final Transcripts
- Mid-Year Report Transcripts

There are two ways to upload applicant/student materials:

1. Upload materials individually in the student's application record by navigating to the "Applications" section and selecting "Choose File" within "Supporting Documents"

Supporting Documents
Documents submitted on Ruby's behalf.

Upload Supporting Documents for this Application
To submit documents on behalf of Ruby, please select the document type below and upload a Word document, PDF, or scanned image file.

Document Type

- Essay
- Letter of Recommendation
- Official High School Transcript

Uploaded Documents
The following documents have been uploaded for this application from your institution.

- Other Document - 01/31/2024 09:56 AM
- Other Document - 02/12/2024 09:58 AM
- Other Document - 02/26/2024 10:52 AM
- Other Document - 02/26/2024 10:57 AM

Processing times for materials can vary, so checklist statuses are not necessarily reflective of very recent uploads.

Continue to the next page for information regarding the "batch upload method".

Stony Brook University

DARE TO BE

1. The batch upload method, that will update materials to Students' applications to each school they have in [Slate.org](#).

You will select the Student from the Students Section

Name	Applications	Graduation Year
Borelli, Lucy	3	2025
Brown, Ruby	4	2025
Doe, Jane	1	2025
Elliott, Andrew (Metropolitan Business Academy)	1	2025
Jones, Jolene	2	2025
Lee, Quinn	2	2024
Mac, Murphy	1	2025
McInnis, Sam	3	2025
Sunshine, Suzie	0	2024

Then you can select “Supporting Documents” from the Student’s profile to upload a particular document to all of their applications.

Managing Students

The “Students” section of Slate.org provides a list of students whose information has been shared by colleges and universities or entered manually.

Name	Applications	Graduation Year
Borelli, Lucy	3	2025
Brown, Ruby	2	2024
Jones, Jolene	2	2023
Ride, Sally	1	2025
Sunshine, Suzie	1	2024

Student and Application Data

You can export student and application data as a spreadsheet by clicking the Excel icon at the top right of the Students and Applications pages.

Export application data as an Excel spreadsheet

Exporting Student Data:

To export student data from [Slate.org](https://slate.org):

1. Select "Students" from the top navigation bar
2. Select the list to export from "all students", "a personal list", or a "shared list"
3. To narrow the results of the selected list, click the Filter icon
4. Select the options required to narrow results as desired. Options include *Graduation Year* and *Applications*. (*SHOW ALL*, *has shared applications*, or *No Shared Applications*).
5. Click Apply Filters.
6. Click Download to Excel at top right, A new tab opens and a system dialog prompts you to save the file

Updating Student Records

School counselors can verify and update the academic profiles of students in [Slate.org](https://slate.org). Students can grant independent counselors and community-based organizations read-only access to their academic and application information.

* Please note that Academic profile data can only be updated by a student's *secondary school counselor*. If you have an independent counselor or CBO counselor account and a student has granted you access to their record, the student's academic information is read-only.

Accessing and editing school records

Help keep information consistent by updating school record data for your students in [Slate.org](https://slate.org).

This information may be shared with colleges and universities.

The screenshot shows the 'Edit Student' window with the 'School Record' tab active. The form includes the following fields:

- Dates Attended: Two dropdown menus for month and year, followed by 'to' and another two dropdown menus.
- Expected Graduation Date: Two dropdown menus showing 'June' and '2022'.
- Class Rank: Two input fields separated by 'out of'.
- GPA: Two input fields separated by 'on a scale of'.
- Awards: A large text area for listing awards.
- Buttons: 'Save' and 'Cancel' at the bottom left.

1. Click Students to access your student list
2. Click on a student record and select the pencil icon in Student Details
3. Click on the School Record tab in the Edit Student pop-up window
4. Update the school data and save

Self- Reported Data

When students update their academic profile in [Slate.org](https://slate.stonybrook.edu/), the data will appear as self-reported. This information can later be verified by their school counselor.

Counselor Verification

The screenshot shows the 'Academic Profile' form with the following fields and values:

- Dates Attended:** September 2018 to May 2022
- Expected Graduation Date:** June 2023
- Class Rank:** 2 out of 1000. A red box highlights the text 'Verified by counselor' next to the rank.
- GPA:** 3.5 on a scale of 4. A red box highlights the text 'Verified by counselor' next to the GPA.
- Self-Reported Awards:** Science Fair Award

At the bottom of the form are 'Save' and 'Cancel' buttons.
