

HOW TO APPLY AS A TRANSFER STUDENT

APPLICATION REQUIREMENTS

- Apply with SUNY Application or Common App
- \$50 application fee
- Official transcript from all colleges attended after high school
- Final high school transcript if you have completed fewer than 24 college credits earned after high school at the time of application

ADMISSION CRITERIA

- 2.8 cumulative GPA at the time of application (restricted majors may require a higher GPA and specific prerequisite courses)
- Prerequisite courses are required for students applying to the College of Engineering and Applied Sciences, College of Business, School of Nursing, School of Social Welfare, Clinical Lab Sciences, and Respiratory Care

TRANSFERRING CREDIT

- A maximum of 84 credits with grades of C or better for most majors may be transferred from a regionally accredited college or university (a typical degree requires 120 credits)
- An official credit evaluation is completed after students are admitted and pay a tuition deposit

PRIORITY APPLICATION DEADLINES

Fall semester

May 1*

Spring semester

November 1*

*Applications received after these dates will be considered on a space-available basis. Applicants interested in restricted majors are encouraged to apply earlier than the posted deadlines. See reverse for a list of restricted majors.

CAREER SUPPORT

With our Career Center's support, our students connect to career-building opportunities like internships and research. After graduation, 95% of our recent bachelor's recipients are either employed or enrolled in graduate or professional school and have life-long access to our career services.

TRANSFER SCHOLARSHIPS

Transfer students may be eligible for merit-based awards. Scholarships range from \$1,000 per year to full tuition.

- Phi Theta Kappa (PTK) Scholarship
- Stay on Long Island Initiative (SOLI)
